## **Anne-Marie Rey-Kühni †**

3.9.1937-25.6.2016

---

Dear Coleagues

Anne-Marie Rey has gone. She died last Sunday after an acute heart failure. We are very sad.

Up to her last day she was a tireless fighter for the rights, needs and dignity of women and all of humans. Only during the last weeks she was an essential aid to women in existential distress. Nobody can substitute her. We already miss her today.

For Apac Suisse  
Hans Jakob und der ganzen Trauerfamilie unser tiefes Beileid

André Seidenberg
